

Exploring Art's Role in Sustainability Transformations

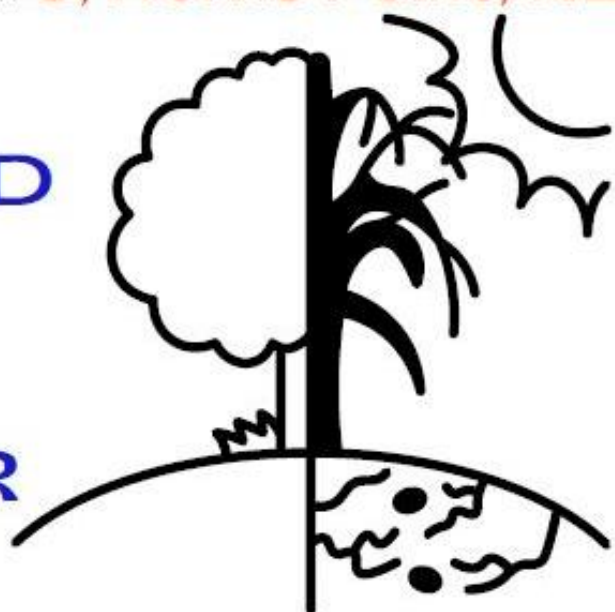

9:30 am - 12pm
Sat. Nov. 18, 2024

Old Cottage Hospital
7 Hospital Ln #5, Norris Point, NL

COMMUNITY
DISCUSSION AND
WORKSHOP

HOW HAS ART
CHANGED YOUR
COMMUNITY?

We want to learn from the people of Norris Point and surrounding areas about community development, sustainability, and feelings of belonging in place. Come share your stories, experiences, and knowledge with students, artists, and researchers as we begin to build a network of diverse people dedicated to community sustainability through the arts.
