

EXPLORING ART'S ROLE IN SUSTAINABILITY TRANSITIONS

SUSTAINABILITY + ART + SURVIVAL

CAN WE ACHIEVE THIS THROUGH ART?
WHAT ABOUT SOCIALLY ENGAGED ART?

Can art change people's values about sustainability?

Can a board game promote transformational learning regarding sustainability?

Let's find out!

DEEP FOREST

STEP INTO A WORLD WHERE THE POWER OF STORYTELLING AND GAMES COME TOGETHER TO DRIVE TRANSFORMATIONAL LEARNING, COMMUNITY DEVELOPMENT, AND CAPACITY BUILDING.

"DEEP FOREST" ENGAGES PLAYERS IN SELF-REFLECTION ON THEIR BELIEFS AND ASSUMPTIONS ABOUT EARTH'S SUSTAINABILITY AND HUMANITY'S SURVIVAL COMMUNITY AND GLOBALLY.

THE AIM FOR THE GAME IS TO NURTURE A PROFOUND SENSE OF IDENTITY, COMMUNITY BELONGING, SOCIAL RESPONSIBILITY, AND COMMUNITY RESILIENCE.
